

2.5.1 Method /Technique of Examination

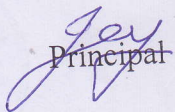

The college follows guidelines given by the University of Mumbai for conducting exams at the college level. The examination schedule as declared by the university, notified to the students, and also is displayed on the college website. Online exams were conducted as per the circular and guidelines issued by the University of Mumbai by using **ETS 360 software**.

For semester I, III, and V the examination department conducted an online guidance lecture which gave guidance to students about the online exam, using a login id and password. The examination department also conducted a mock test to make students familiar with the software. The examination committee also conducted additional examination for the students who could not appear for the regular exams.

As per university guidelines Internal assignments for 25 marks were given to the students for the Foundation Course subject. The assignments were collected as per the schedules provided by the teachers. Self-financing courses B.Com (Banking and Insurance) and M.Com have internals in all subjects.

For Semester II, first-year students exams were conducted in offline mode as per the guidelines given by the University of Mumbai for conducting exams at the college level, which include a 50-mark objective paper and a 50-mark subjective paper. For Semesters IV and VI, online exams were conducted as per the guidelines given by the University of Mumbai for conducting exams.

Results of all exams conducted were announced within the stipulated time and displayed on the college website.
