7.1.3- Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words)

- Solid waste management
- Liquid waste management
- Biomedical waste management
- E-waste management
- Waste recycling system
- Hazardous chemicals and radioactive waste management

1. Solid waste management:

The college, college campus, classrooms, library etc. are cleaned by sweepers every day. For daily waste management, dustbins are kept on every floor for solid waste collection. The college has a compost pit for the recycling of garden waste.

College follows the practice of Reduce, Reuse, and Recycle (3Rs). College tried to make students aware of the zero waste techniques and use of 3Rs.

Participation in Cleanliness Awareness Drive (30th April 2022)

The cleanliness awareness programme was organized by the NCC Department. A rally on awareness was organized from college to Bhaskar Wadi to Five Gardens and back to college. Which covered a distance of 1 km. Awareness lecture was also arranged on 'PLASTIC GARBAGE AND ITS RECYCLING' in college classroom. A total of 55 cadets were present and participated in the said programme.

2. Liquid waste management: Nil

3. Biomedical waste management:

The sanitary napkin machines, as well as the machine to dispose of pads, are installed in the Ladies' common room.

4. E-waste management: Nil

5. Waste recycling system: Nil

6. Hazardous chemicals and radioactive waste management- Not Applicable (our college is a commerce stream)
