2.3.2 Teachers use ICT enabled tools for effective teaching-learning process

Teachers are using ICT enabled tools for effective teaching and learning.

1. The college provided study material on its website, and students were given the login id and password to get access to the study material.
2. A well-equipped open access computerized library with internet facilities is available for faculty. E-resources are available through national networks.
3. Computer Lab, Language Lab is use for effective teaching –learning process.
4. The institute subscribes to an online database in order to facilitate e-resource access for teachers and students. (e.g. college library has taken subscription from Shodh-sindhu library for research purposes.)
5. For offline lectures, teachers used PowerPoint presentations for explanations of the topic.
